7. New Business

a. School Council Meeting Days

Alyssa has heard from some parents that they are not make a meeting on Tuesday, but would be interested in attending meetings if it was on a different day. Alyssa proposed that we try a meeting on a Monday in January to see if we can increase the number of parents that can attend, therefore the date was reset for Monday, Jan 13, 2020.

It was also suggested that meeting notices, agenda and minutes be out approximately a week before so that people can plan and that may increase attendance.

b. How to access funds through School Generated Funds

School Council received an Introductory School Year letter from HPSP. One item detailed was how to claim an expense through School Generated funds.

To access the operating funds through the School Generated Funds (SGF):

1. Individual seeking reimbursement brings bill/receipt to school council meeting.
2. School council makes a motion that is recorded in the meeting minutes.
3. School Council Secretary presents a Payment Requisition (attached) to the school Principal.
 - a. Receipt/bill and the minutes containing the motion for payment must be attached
4. School Principal signs the Payment Requisition and forwards to the Learning Support Centre (LSC) for payment.
5. Within approximately 10 days of the requisition's arrival at LSC, a cheque is issued by High Prairie School Division.
6. At the end of the school year, school council provides a financial report of SGF spending.

c. School Bus Safety Letter Reply

In reviewing the reply from HPSD, School Council discussed the letter and some of the Recommendations put forth by the third party reviewer Mr. Ken MacLean. There were concerns about time it took to receive communication back from HPSD, and how and to whom updates and the results were and were not communicated to. Alex will receive a scanned copy of the letter and will bring it back to the parents concerned. Trustee Karin Scholl made a note to bring it up communication concerns to High Prairie School Division.

8. Next Meeting / Adjournment

The next meeting will be held the same time as the “How to Run A School Council Workshop”. The first choice of date would be Monday November 25 and second choice would be Tuesday December 10.

Alyssa Pollard adjourned the meeting at 7:47 PM.
